

To whom it concerns

This is Abbas Ahmad Elzein I'm Ahmad Elzein  
Son my dad has 6 children 4 daughters and  
2 sons and he has 12 grandchildren he has 14  
siblings 8 brothers and 6 sisters.

My dad lost his older son Ali in 2017  
after that it was really hard for him to continue  
his life because Ali was his son his friend his  
brother he was everything and my dad chose to  
continue for his family to support all of us  
he didn't enjoy his life at all he was working  
all time since he was born to support his  
parents his children and his siblings and all his family.

My dad is the most loved in the family  
among all his siblings he loves everybody and  
everybody loves him. All his family are waiting  
for him for his smile for his vibes for his  
support. I'm writing this letter and I can't  
explain and there are no words that can explain  
how much we love this great man no words  
can explain how much he is a great person  
he never did hurt anyone he never let

anybody get mad at him I'm writing and  
crying because we all need Ahmad we all need  
him around us all his family is waiting for him  
there are no words can explain how much I missed  
him and how much I love him and how much my  
life and my family's life is hard without him around us  
this year without my dad is the worst year in our  
life the worst we lived.

My dad did a mistake but he wasn't planning  
to hurt anybody my dad loves the US and he was  
always great that he came to this country he took  
his citizenship and said that he will be great  
for this country he lived in the US more than he  
lived in Lebanon he never hurts anyone he just  
didn't think about what he was doing my dad  
after he lost Ali got 10 years older at the same  
moment he left him in the grave he just wasn't  
thinking about what he was doing at all he didn't  
know that's a big deal and it will get him to jail  
my dad is a great person nobody met him and didn't  
love him.

I'm asking for me and my family the judge  
who's going to sentence my dad to give him  
the minimum he can take and think about all  
his family members who are all waiting for him  
to be out and get back to us as soon as possible.  
And we will be GRATEFULL for you all life  
if you can help my dad and us and let him free.
